Subject: Pretreatment Support schedule
Attachments: R4 PT Work History and FY 17-18 Wish List 20170411.xlsx

I just wanted to check in with you regarding the pretreatment support for 2017/2018 for Region 4. I sent our wish list to Russell Norman in April. Has all of that work been approved? I have attached the spreadsheet, but in a nutshell it is:

PCIs for Camarillo, Hill Canyon, City of LA, County Sanitation Districts, Burbank and Ojai.

Also, if all of the above work will be conducted in 2017/2018, do you have any idea of the schedule? It would help us here to know when to expect the draft documents for review.

Please let me know. Thanks for your help.
